

Change Family,

Our current sermon series is affectionately titled Gladiator, and I pray you have been blessed so far! I am convinced that as change agents, we should not only emulate the Christ-like personalities of a lamb, but we should also embody the Christ-like characteristics of a lion.

Jesus was both lamb and lion, and in order to live a changed life, we must be lionhearted. What does that mean? It means, that in some cases you must be assertive not aggressive, resilient not reluctant, and confident not conceited.

Over the next few weeks, we will unpack this together as we read through the book of Judges. To ensure that you are able to benefit from the entire sermon series, I have outlined a bible reading plan below. I'd like you and your family to spend some time each week reading through the scriptures together. When you come to church on Sunday, you will discover that much of the sermon will cover the passage you read.

Let's enjoy the scriptures together. Spread the word! It's going to be a great journey, and I believe God's going to make us all...gladiators!
